

## **Hannah Bieker.**

Hannah is from Los Angeles California but Utah is her home. She has interned in both the Utah House of Representatives and in the United States Senate in Washington D.C. She is currently working towards a BA in National Security from Utah Valley University. She is a member of Utah International Mountain Forum (UIMF), a coalition of clubs at UVU, UVU Rotaract, elected Precinct Chair within the Utah County Republican party, and serves as the Treasurer in the UVU College Republicans club. Hannah became involved with UIMF after hearing about it from her friend, Sam Elzinga while he was the Secretary for the UVU College Republicans club. Joining UIMF seemed for her like a great way to promote sustainable mountain development as a student. Through UIMF, she has had a unique opportunity to meet with various world leaders to discuss how they can better their countries and improve their citizens lives through Utah's model of sustainable mountain development. She has also had the opportunity to edit articles for the UVU Youth of the Mountains Journal. And if it were not for UIMF, she would never of had the opportunity to become the first student to represent Rotaract at the United Nations.
