

# UTAH INTERNATIONAL MOUNTAIN FORUM

The **Utah International Mountain Forum (UIMF)** is a coalition of various student clubs at Utah Valley University.

Members of UIMF work to:

1. Raise awareness of mountain sustainability topics.
2. Introduce the public to foreign dignitaries.
3. Build communities around their shared mountainous heritage.

Members of UIMF gain professional skills by addressing real-world problems of mountain communities.

## **UIMF Mission Statement:**

To promote the sustainability of the world's mountain environments and livelihoods through youth efforts, and community-engaged learning, both locally and globally, through advocacy, networking, knowledge sharing, and exchanges of best practices.

We are always looking for volunteers. Contact us and include any special skill set or interests you have. We are always looking for writers, editors, and website designers. We appreciate your interest!
