Rotary

What is Rotary?

Rotary International, founded in 1905, is a service organization and global network of friends working together to provide needs and services in their communities

It consists of over 1.22 million members worldwide, of all ages, genders, and ethnicities

Rotary's Relationship with the United Nations

In 1945, 49 Rotary members served in 29 delegations for the United Nations Charter conference

Today, Rotary continues its close relationship with the United Nations and many of its agencies.

RI's representatives to the United Nations in New York host an annual Rotary Day at the United Nations to celebrate this relationship of peace

Polio Eradication Efforts of RI

Since 1979, Polio cases have decreased by 99%, largely due to the efforts of Rotary International and their partners.

What is Rotaract?

Rotaract is a service club for young people ages 18-30 who partner with Rotarians to develop leadership skills and make friends from around the world. Sponsoring Rotary clubs are service partners, offer guidance, support and mentorship.

Worldwide there are over 10,900 Rotaract clubs

Rotaract at Utah Valley University

Was re-established in 2017

Implements six goals of RI:

1. Promoting peace
2. Fighting disease
3. Promoting clean water
4. Saving mothers and children
5. Supporting education
6. Growing local economies

UVU Rotaracts Continues to Contribute to the UN Agenda

In March of 2021, members of UVU Rotaract will attend the 65th session of the United Nations Commission on the Status of Women

At this event, UVU Rotaracts will advocate for women and girls in mountain communities as we present research on the success Rotary has had on an international, state, and local level to contribute to goals 3, 5, and 6 of the United Nations' goals for sustainable development.
